

IMPORTANT-READ BEFORE USING

Use only for plastic handled Nylon bristle brushes. Use rubber or plastic gloves. NEVER bare hands. DO NOT use on natural bristle brushes or on metal or wooden handle brushes. DO NOT mix with any other chemicals or cleaning compounds.

DANGER! KEEP OUT OF REACH OF CHILDREN. Contains hypochlorite. FIRST AID TREATMENT. If swallowed: Drink two glasses of water and see doctor. Do not induce vomiting. If on skin: Brush off excess, flush with cold water. If irritation persists see doctor. If in eyes: Flush with cold water for at least 15 minutes. See doctor. Avoid inhalation: Move to fresh air. If breathing discomfort persists see doctor. PRINTED IN U.S.A.

HAIR VANISHES WITH

**BRUSH
DELITE**

**THE MAGIC POWDER THAT MAKES HAIR
DISAPPEAR FROM NYLON BRISTLE BRUSHES
PLASTIC ROLLERS AND PLASTIC COMBS**

DANGER: KEEP OUT OF REACH OF CHILDREN DO NOT GET ON THE SKIN OR IN THE EYES. SEE SIDE PANEL FOR ADDED PRECAUTIONS.

7 OZ. NET WEIGHT 200 G.

DIRECTIONS FOR USING BRUSH DELITE

Dissolve contents in 5 quarts (4.7 L) of luke warm water, using a plastic pail.

Immerse brushes and other plastic articles until hair disappears (about an hour). Then remove articles (USE GLOVES) and rinse in cold water.

When not using, keep BRUSH DELITE solution covered and store in a cool place. Solution may be used repeatedly until hair removal action is exhausted. Then discard and make new solution.

Always keep bottle capped until ready for use. After use discard. Do not reuse empty container.
